

WE DESIGN.

Design

**Distinctive by design.
Consistent everywhere.**

Original identities, illustrations and visual content that make your business recognizable, credible and ready to grow.

WHAT WE DO

One identity. Many expressions.

A visual language that works across your website, campaigns and physical materials.

Brand identity

Logos, colour palettes, typography and practical brand guidelines.

Graphic design

Brochures, presentations, stationery and campaign materials.

Hand-drawn illustration

Original sketches refined into distinctive, usable brand assets.

Digital design

Web layouts, social graphics and visual systems for screens.

Photography & video

Authentic imagery and storytelling that bring your work into view.

Production artwork

Prepare designs for print, signage, apparel and engraving.

OUR CREATIVE PROCESS

Drawn with intent. Refined to last.

We begin with your story and the audience you want to reach. Hand sketches and custom illustration give the work its own character; careful refinement makes it clear, balanced and practical.

01**Explore**

Research, references and original sketches.

02**Refine**

Proportions, colour, typography and feedback.

03**Prepare**

Vector masters and files suited to each use.

A strong design should feel like your business - and remain recognizable wherever it appears.

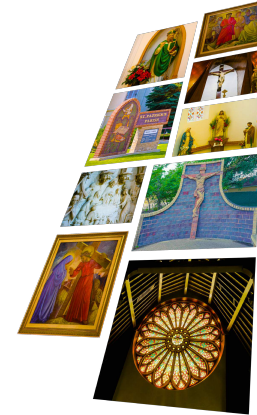

SELECTED PORTFOLIO

Designed to reflect the client.

Quilting Creations & Fabric

Colour, composition and craft-led imagery create a visual experience with a clear personality.

St. Patrick's Church

Original photography and a considered visual direction express the character of the community.

WHAT YOU CAN EXPECT

Authenticity with lasting value.

01 Professional execution

Thoughtful proportions, hierarchy and consistency in every approved design.

02 Scalability by design

Vector artwork where appropriate, with detail adapted for small and large uses.

03 Consistent across formats

A cohesive visual language and prepared files for the agreed applications.

Let's give your business a visual identity that feels like you.
